CONDITIONS AND RESTRICTIONS
OVERLOOK ESTATES, SECTIONS ONE AND TWO

THE STATE OF TEXAS §
 § KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF WILLIAMSON §

THAT this Declaration is made on the date hereinafter set forth by Tano Development, L.P., a Texas limited partnership (hereinafter referred to as "Declarant");

WITNESSETH:

WHEREAS, Declarant is the owner of that certain real property known as Overlook Estates, Sections One and Two, subdivisions in Williamson County, Texas, according to the maps or plats thereof recorded in Cabinet R, Slides 2114217, Plat Records of Williamson County, Texas, and in Cabinet R, Slides 2134214, Plat Records of Williamson County, Texas, respectively (hereinafter referred to collectively as "Plat");

WHEREAS, it is deemed to be in the best interests of Declarant and any other persons who may purchase property in Overlook Estates, Sections One and Two, that there be established and maintained a uniform plan for the improvement and development of Overlook Estates, Sections One and Two, as a highly restricted and modern subdivision of the highest quality;

NOW, THEREFORE, Declarant hereby declares that all of the properties described above as being owned by Declarant in Overlook Estates, Sections One and Two, shall be held, sold and conveyed subject to the following easements, restrictions, covenants and conditions, all of which are for the purpose of enhancing and protecting the value, desirability and attractiveness of said real property. These easements, covenants, restrictions and conditions shall run with said real property and be binding upon all parties having or acquiring any right, title or interest in a Lot, as hereinafter defined, their heirs, successors and assigns, and shall inure to the benefit of each owner thereof.

Section 4. "Lot" shall mean and refer to any of the numbered lots shown on the Subdivision Plat or any replat thereof.

ARTICLE II PROPERTY RIGHTS

Section 1. Owner's Easement of Access and Enjoyment. Every Owner shall have an easement of access and a right and easement of enjoyment in and to the Common Area and such

easement shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

- (a) The right of the Association to charge a reasonable admission and other fees for the use of any recreational facilities situated on the Common Area;
- (b) The right of the Association to suspend a Member's voting rights and right to use the recreational and other facilities owned or operated by the Association, excluding domestic water, for any period during which any assessment against his Lot or any other sum due the Association by him remains unpaid; and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations; and
- (c) The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purpose and subject to such conditions as may be determined by the Association.

Section 2. Delegation of Use. Any Owner may delegate in accordance with the Bylaws of the Association, his right of enjoyment to the Common Area and facilities to members of his family, his tenants, or contract purchasers who reside on the Lot owned by him. The Declarant, for each Lot owned within the Subdivision, hereby covenants, and each Owner of any Lot, by acceptance of a Deed therefor, whether it shall be express in the Deed or the evidence of the conveyance, is deemed to covenant that any lease executed on a Lot shall be in writing and contain provisions binding any lessee thereunder to the terms of this Declaration of Covenants, Conditions and Restrictions and any rules and regulations published by the Association applicable to the Common Area and further providing that noncompliance with these terms of the lease shall be a default thereunder.

Section 3. Title to the Common Area. The Common Area shall be owned by the Association or its successors, it being agreed that this provision is necessary in order to preserve the rights of the Owners with respect to the operation and management of the Common Area. Notwithstanding the above, the Declarant reserves the right to grant, convey, dedicate or reserve easements over, on or under the Common Area for utility services as set forth in Article XI, Section 1 hereof.

ARTICLE III MEMBERSHIP AND VOTING RIGHTS

Section 1. Organization. Declarant shall, when it is deemed appropriate by Declarant, cause the Association to be organized and formed as a nonprofit corporation under the laws of the State of Texas. The principal purposes of the Association shall be the collection, expenditure and management of the maintenance funds, enforcement of this Declaration, providing for the maintenance, preservation and architectural control (when the powers of the Committee terminate and the Committee's powers vest in the Association) within the Subdivision, the general overall

supervision of all of the affairs and well being of the Subdivision and other Subdivisions within its jurisdiction and the promotion of the health, safety and welfare of the residents within the Subdivision and other Subdivisions within its jurisdiction. Until the Association is so organized, Declarant shall enjoy all of the rights which would otherwise be exercised by the Association hereunder.

Section 2. Membership. Every person or entity who is a record owner of a fee or undivided fee interest in a Lot which is a part of the Subdivision, including contract sellers, shall hold a membership in the Association. The foregoing is not intended to include persons or entities who hold an interest in a Lot merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of a Lot. Ownership of a Lot shall be the sole qualification for membership. Any mortgagee or lienholder who acquires title to any Lot which is a part of the Subdivision, through judicial or nonjudicial foreclosure, shall be a Member of the Association.

Section 3. Board of Directors. The Association shall act through a Board of Directors who will manage the affairs of the Association as specified in the Bylaws of the Association.

Section 4. Voting Rights. There shall be two classes of membership entitled to voting rights in the Association with respect to the Subdivision and they shall be as follows:

(a) **Class A:** All Owners, other than Declarant, shall be considered Class A Members, and for each Lot owned shall be entitled to one (1) vote on each matter coming before the Members at any meeting or otherwise, unless their voting rights have been suspended by the Board of Directors as hereinabove provided in Article II, Section 1(b). When a particular Lot is owned by more than one individual or entity, all the individuals or entities holding an ownership interest in that Lot shall be considered Class A Members, however, for that particular Lot they shall be entitled to a total of no more than one vote on each matter coming before the Members at any meeting or otherwise. The vote for such Lot shall be exercised as they among themselves determined.

(b) **Class B:** Class B Members shall be the Declarant, and for each Lot owned it shall be entitled to three (3) votes on each matter coming before the Members at any meeting or otherwise. Once a Lot is sold to an individual or individuals who would be classified as Class A Members, subject to paragraph (c) below, the three (3) votes attached to the Lot shall be extinguished, subject to paragraph (c) below. All Class B memberships with respect to the Subdivision shall cease and be automatically converted into Class A Memberships on the happening of any of the following events, whichever occurs earlier:

(i) When the total number of votes entitled to be cast by the Class A Members, with respect to the Subdivision, at any meeting of the Members

or otherwise equals the total number of votes entitled to be cast by the Class B Members, with respect to the Subdivision, but in no event earlier than three (3) years from the date this Declaration of Covenants, Conditions and Restrictions is filed with the County Clerk of Williamson County, Texas, for recordation in the Official Records of Williamson County, Texas;

(ii) Ten (10) years from the date this Declaration of Covenants, Conditions and Restrictions is filed with the County Clerk of Williamson County, Texas, for recordation in the Official Records of Williamson County, Texas; or

(iii) At such earlier time as the Class B Member, in its sole discretion, shall elect.

(c) Reinstatement of Class B Members. Notwithstanding the prior provisions of paragraph (b) above, if additional land is subject to the jurisdiction of the Association such that the Declarant owns more than 25% of all Lots, then the provisions in the first sentence of paragraph (b) above shall be automatically reinstated ipso facto.

ARTICLE IV COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation for Assessment. The Declarant, for each Lot within the Subdivision which shall be or thereafter become subject to the assessments hereinafter provided for, hereby covenants, and each Owner of any Lot that shall be or thereafter become assessable, by acceptance of a Deed therefor, whether or not it shall be express in the Deed or other evidence of the conveyance, is deemed to covenant and agree to pay the Association the following:

- (a) Annual assessments or charges;
- (b) Special assessments for capital improvements; and
- (c) Any other sums to the extent they are specifically provided for elsewhere in this instrument.

Such assessments or charges are to be fixed, established and collected as hereinafter provided. These charges and assessments, together with such interest thereon and cost of collection thereof, as hereinafter provided, shall be a charge on the land and shall be secured by a continuing lien upon the Lot against which such assessments or charges are made. Each such assessment or charge, together with such interest, costs and reasonable attorney's fees shall also be and remain

the personal obligation of the individual or individuals who owned the particular Lot at the time the assessment or charge fell due notwithstanding any subsequent transfer of title to such Lot. The personal obligation for delinquent assessments and charges shall not pass to successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents of the Subdivision. Without limiting the foregoing, the total assessments accumulated by the Association, insofar as the same may be sufficient, shall be applied toward the payment of all taxes, insurance premiums and repair, maintenance and acquisition expenses incurred by the Association and, at the option of the Board of Directors of the Association, for any or all of the following purposes: lighting, improving and maintaining signs, streets, alleyways, sidewalks, paths, parks, parkways, easements and esplanades in the Subdivision and in other subdivisions within its jurisdiction; collecting and disposing of garbage, ashes, rubbish and materials of a similar nature; payment of legal and all other expenses incurred in connection with the collection, enforcement and administration of all assessments and charges and in connection with the enforcement of this Declaration of Covenants, Conditions and Restrictions; employing policemen or watchmen and/or a security service; fogging and furnishing other general insecticide services; providing the planting and upkeep of trees and shrubbery on esplanades and in the Common Area; acquiring and maintaining any amenities or recreational facilities that are or will be operated in whole or in part for the benefit of the Owners; and doing any other thing necessary or desirable in the opinion of the Board of Directors of the Association to keep and maintain the property in the Subdivision and in other subdivisions within its jurisdiction in neat and good order, or which they consider of general benefit to the Owners or occupants of the Subdivision and in other subdivisions within its jurisdiction, including the establishment and maintenance of a reserve for repair, maintenance, taxes, insurance and other charges as specified herein. Such funds may also be used to repair, maintain and restore abandoned or neglected residences and Lots as hereinafter provided. The judgment of the Board of Directors of the Association in establishing annual assessments, special assessments and other charges and in the expenditure of said funds shall be final and conclusive so long as said judgment is exercised in good faith.

Section 3. Basis and Maximum Level of Annual Assessments. Until January 1, of the year immediately following the conveyance of the first Lot from Declarant to an Owner, the maximum annual assessment shall be Two Hundred and No/100 Dollars (\$200.00) per Lot. From and after January 1 of the year immediately following the conveyance of the first Lot from Declarant to an Owner, the maximum annual assessment may be increased by the Board of Directors of the Association, effective January 1 of each year, in conformance with the rise, if any, in the Consumer Price Index for the "All Urban Consumers, U.S. City Average, All Items" Index "1982-84 Equals 100" published by the Department of Labor, Washington, D.C. for the year ended the preceding June 30th or alternatively, by an amount equal to the difference between the then current assessment and the projected assessment calculated by increasing the original assessment set forth herein by an amount equal to 10% compounded annually for each year from the date hereof, whichever is greater, without a vote of the Members of the Association. From

and after January 1 of the year immediately following the conveyance of the first Lot by Declarant to an Owner, the maximum annual assessment may be increased above that established by the Consumer Price Index formula or the above mentioned percentage increase only by written approval of the Owners of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose. After consideration of current maintenance costs and future needs of the Association, the Board of Directors may fix the annual assessment at an amount not in excess of the maximum amount approved by the Owners.

Section 4. Special Assessments for Capital Improvement. In addition to the annual assessment authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction or unexpected repair or replacement of a particular capital improvement located upon the Common Area, easements or esplanades, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the written approval of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

Section 5. Notice of Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting of the Members of the Association called for the purpose of taking any action authorized under Sections 3 and 4 of this Article shall be sent to all members and shall be posted at a public place within the Subdivision not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of the Members holding sixty percent (60%) of all membership votes entitled to be cast in each membership class or their proxies shall constitute a quorum. If the required quorum is not present, additional meetings may be called subject to the same notice requirements and the required quorum at each subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than (60) days following the preceding meeting.

Section 6. Rates of Assessments. Both annual and special assessments on all Lots, whether or not owned by the Declarant, must be fixed at uniform rates as follows:

- (a) Occupied Lots: Those Lots containing an occupied Living Unit (that, a Living Unit that has been initially occupied, although it may no longer be occupied) shall be assessed the full assessment as set by the Board of Directors of the Association;
- (b) Completed Living Unit: Those Lots containing a substantially completed but unoccupied Living Unit (that is, a Living Unit that has not been initially occupied), shall be assessed fifty percent (50%) of the full assessment as set by the Board of Directors of the Association; and
- (c) Vacant Lots: Those Lots which are vacant or upon which a residence is under construction shall be assessed at a rate equal to fifty percent (50%) of the full

assessment as set by the Board of Directors of the Association. If such Owner fails to maintain said Lot in accordance with the requirements set forth in this Declaration, the Association is hereby authorized to do so and any expense the Association incurs thereby shall become a lien on the Lot and the general personal obligation of said Owner.

Section 7. Date of Commencement and Determination of Annual Assessment. The annual assessment provided for herein shall commence as to all Lots on a date fixed by the Board of Directors of the Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. On or before the 30th day of November in each year, the Board of Directors of the Association shall fix the amount of the annual assessment to be levied against each Lot in the next calendar year. Written notice of the figure at which the Board of Directors of the Association has set the annual assessment shall be sent to every Owner whose Lot is subject to the payment thereof. However, the failure by the Board of Directors of the Association to fix an annual assessment for any year will not be deemed a waiver with respect to any of the provisions of this Declaration or a release of liability of any Owner to pay annual assessments, or any installments thereof, for that or any subsequent year. In the event of such failure, each Owner shall continue to pay the annual assessment established for the previous year until the new annual assessment is established. The new annual assessment established by the Board of Directors of the Association shall be applied retroactively to the commencement of the then current assessment year and the deficit shall be paid by each Owner within thirty (30) days after receipt of a statement therefor. Assessments shall be due and payable yearly in advance on the first day of January or as directed by the Board of Directors of the Association. The Association shall, upon demand, and for reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a particular Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessments or charges which are not paid when due shall be delinquent. If an assessment or charge is not paid within thirty (30) days after the due date, it shall bear interest from the due date of the lesser of (i) eighteen percent (18%) per annum or (ii) the maximum rate permitted by law, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien herein retained against the Lot. Interest, costs and reasonable attorney's fees incurred in any such action shall be added to the amount of such assessment or charge. In order to secure the payment of the assessments or charges hereby levied, a vendor's lien for the benefit of the Association, shall be and is hereby reserved in the Deed from the Declarant to the purchaser of each Lot or portion thereof, which lien shall be enforceable through appropriate judicial and nonjudicial proceedings by the Association. As additional security for the payment of the assessments hereby levied, each Owner of a Lot in the Subdivision, by such party's acceptance of a deed thereto, hereby grants the Association a lien on such Lot which may be foreclosed on by a nonjudicial foreclosure and pursuant to the provisions of Section 51.002 of the Texas Property Code (and any successor statute); and each such Owner hereby expressly

grants the Association a power of sale in connection therewith. The Association shall, whenever it proceeds with nonjudicial foreclosure pursuant to the provisions of said Section 51.002 of the Texas Property Code and said power of sale, designate in writing a Trustee to post or cause to be posted all required notices of such foreclosure sale and to conduct such foreclosure sale. The Trustee may be changed at any time and from time to time by the Association by means of a written instrument executed by the President or any Vice President of the Association and filed for record in the Official Records of Williamson County, Texas. In the event that the Association has determined to nonjudicially foreclose the lien provided herein pursuant to the provisions of said Section 51.002 of the Texas Property Code and to exercise the power of sale hereby granted, the Association shall mail to the defaulting Owner a copy of the notice of Trustee's Sale not less than twenty-one (21) days prior to the date of which sale is scheduled by posting such notice through the U.S. Postal Service, postage prepaid, registered or certified, return receipt request, properly addressed to such Owner at the last known address of such Owner according to the records of the Association. If required by law, the Association or Trustee shall also cause a copy of the Notice of Trustee's Sale to be recorded in the Official Records of Williamson County, Texas. Out of the proceeds of such sale, there shall first be paid all expenses incurred by the Association in connection with such default, including reasonable attorney's fees and a reasonable trustee's fee; second, from such proceeds there shall be paid to the Association an amount equal to the amount in default; third, any amounts required by law to be paid before payment to the Owner; and, fourth, the remaining balance shall be paid to such Owner. Following any such foreclosure, each occupant of any such Lot foreclosed on and each occupant of any improvements thereon shall be deemed to be a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in an action of forcible detainer and the issuance of a writ of restitution thereunder.

In addition to foreclosing the lien hereby retained, in the event of nonpayment by any Owner of such Owner's portion of any assessment, the Association may, acting through the Board, upon ten (10) days prior written notice thereof to such nonpaying Owner, in addition to all other rights and remedies available at law or otherwise, restrict the rights of such nonpaying owner to use the Common Areas, if any, in such manner as the Association deems fit or appropriate and/or suspend the voting rights of such nonpaying Owner so long as such default exists.

It is the intent of the provisions of this Section 8 to comply with the provisions of said Section 51.002 of the Texas Property Code relating to nonjudicial sales by power of sale and, in the event of the amendment of said Section 51.002 of the Texas Property Code hereafter, the President or any Vice President of the Association, acting without joinder of any other Owner or mortgagee or other person may, by amendment to this Declaration filed in the Official Records of Williamson County, Texas, amend the provisions hereof so as to comply with said amendments to Section 51.002 of the Texas Property Code.

No Owner may waiver or otherwise escape liability for the assessments provided for herein by nonuse of the Common Area or abandonment of his Lot. In addition to the above

rights, the Association shall have the right to refuse to provide the services of the Association to any Owner who is delinquent in the payment of the above described assessments.

Section 9. Subordination of the Lien to Mortgages. As hereinabove provided, the title to each Lot shall be subject to a vendor's lien and power of sale securing the payment of all assessments and charges due the Association, but said vendor's lien and power of sale shall be subordinate to any valid purchase money lien or mortgage covering a Lot and any valid lien securing the cost of construction of home improvements. Sale or transfer of any Lot shall not affect said vendor's lien or power of sale. However, the sale or transfer of any Lot pursuant to a judicial or nonjudicial foreclosure under a purchase money lien or lien securing the cost of construction of home improvements shall extinguish the vendor's lien and power of sale securing such assessment or charge only as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot or the Owner thereof from liability from any charges or assessments thereafter becoming due or from the lien thereof. No extinguishment of the vendor's lien and power of sale shall relieve the delinquent Owner from his personal obligation and liability therefor. In addition to the automatic subordination provided hereinabove, the Association, in the discretion of its Board of Directors, may subordinate the lien securing any assessment provided for herein to any other mortgage, lien or encumbrance, subject to such limitations, if any, as such Board may determined.

Section 10. Exempt Property. All properties dedicated to, and accepted by, a local public authority and devoted to public use and all properties owned by a charitable or nonprofit organization exempt from taxation by the laws of the State of Texas shall be exempt from the assessments and charges created herein. Notwithstanding the foregoing, no Lot which is used as a residence shall be exempt from said assessments and charges.

ARTICLE V INSURANCE

The Association, through the Board of Directors, or its duly authorized agent, shall have the authority to obtain the following types of insurance policies:

- (a) Property insurance covering the Common Area, easements and esplanades and all improvements thereon in an amount equal to the full replacement value of the improvements and facilities located upon the Common Area, easements and esplanades and owned by the Association (including all building service equipment and the like) with an "agreed amount endorsement" or its equivalent, a "demolition endorsement" or its equivalent and, if necessary an "increased cost of construction endorsement" or "contingent liability from operation of building laws endorsement" or the equivalent, affording protection against loss or damage by fire and other hazards covered by the standard extended coverage endorsement in Texas, and by sprinkler leakage, debris removal, cost of demolition, vandalism, malicious mischief, windstorm, and water damage, and any such other risk as shall

customarily be covered with respect to projects similar in construction, location and use;

(b) A comprehensive policy of public liability insurance covering all of the Common Area, easements and esplanades, and insuring the Association, within such limits as it may consider acceptable (for all claims for personal injury and/or property damage arising out of a single occurrence); such coverage to include protection against water damage liability, liability for nonowner and hired automobiles, liability for property of others, and any other coverage the Association deems prudent and which is customarily carried with respect to projects similar in construction, location and use; and

(c) A policy of fidelity coverage to protect against dishonest acts on the part of officers, directors, trustees, and employees of the Association and all others who handle, or are responsible for handling funds of the Association; such fidelity bonds shall be of the kind and in an amount the Association deems necessary for the protection of the Owners.

Premiums for all such insurance policies carried by the Association shall be a common expense payable from the annual assessments on all of the Lots. Liability and property insurance for Lots and the contents of residences shall be the responsibility of each individual Owner. All proceeds from policies held by the Association shall be deposited in a bank or other financial institution, the accounts of which bank or institution are insured by a federal governmental agency, with the provision agreed to by said bank or institution that such funds may be withdrawn only by signature of at least two (2) of the members of the Board of Directors, or by an agent duly authorized by the Board of Directors. In no event shall the insurance company or the bank or other financial institution holding proceeds on a policy issued in the name of the Association be authorized to distribute any proceeds therefrom to the Declarant. Proceeds from such policies shall be used by the Association only for the benefit of its Members and where such proceeds arise out of an occurrence in which a building or improvement owned by the Association is damaged or destroyed, they shall be used to repair, restore and rebuild such building or improvements. In the latter event, the Board of Directors shall advertise for sealed bids from contractors, and acceptance of a bid received thereby, may negotiate with the contractor, who shall, unless waived by the Board of Directors, be required to provide a full performance and payment bond for the repair, reconstruction or rebuilding of such destroyed improvements or buildings. In the event the insurance proceeds are insufficient to pay all costs of repairing and/or rebuilding said improvements to their original condition, the Association shall levy a special assessment for capital improvements against all owners to make up the deficiency. This shall be done only after compliance with all the requirements for imposition of special assessments.

ARTICLE VI ARCHITECTURAL CONTROL

Section 1. Architectural Control Committee. There is hereby created an Architectural Control Committee (herein referred to as the "Committee") comprised of Barry Kendrick, Vivian Kendrick and Bill Burba, each of whom shall serve until his successor is appointed. Any two (2) of the members of the Committee shall have the full authority and power to act for the Committee. Any member of the committee may be removed, with or without cause, by the Declarant. In the event any member of the Committee should be so removed from the Committee or if any member of the Committee should die, resign, refuse to act, or become unable or ineligible to act, Declarant shall have the authority to designate a successor. No member of the Committee or its designated representative(s), as herein defined, shall be entitled to any compensation for services performed pursuant to this Article. The Committee may, however, employ one or more architects, engineers, attorneys or other consultants to assist the Committee in carrying out its duties hereunder, and the Association shall pay such consultants for such services as they render to the Committee. A majority of the Committee may designate one or more representative(s) to act for it and such representative(s) shall have the full right, authority, and power to carry out the functions of the Committee.

Section 2. Duties and Powers. The purpose of the Committee is to protect the environmental and architectural integrity of the Subdivision in accordance with the provisions of this Declaration. No building, fence, wall or other structure or improvement of any nature shall be placed, constructed, erected or maintained on any Lot, nor shall any exterior addition to or change or alteration therein be made until the construction plans and specifications for the same shall have been submitted to and approved in writing by the Committee as to (a) conformity and harmony of external design and location in relation to surrounding structures and topography, and (b) quality of workmanship and materials. Any plans and specifications to be submitted shall specify, in such form as the Committee may reasonably require, the location upon the Lot where the improvements are to be placed and the dimensions thereof as well as appropriate information concerning the structural, mechanical, electrical and plumbing details and the nature, kind, shape, heights, color scheme and materials of the proposed improvements or alterations, and shall comply with the Plan Approval Process and Permit Requirements of the Committee attached hereto as Exhibit "A". The Committee shall also have the right, where not otherwise set forth herein, to:

- (a) Waive any requirement or restriction set forth in this Declaration;
- (b) Specify minimum setbacks;
- (3) Specify the location, heights and extent of fences, walls, or other screening devices;
- (4) Specify the orientation of structures and landscaping on Lots with respect to streets, walks and structures on adjacent properties,

however, the Committee shall not require setbacks further away from the streets than any platted building line; and

- (5) Specify a limited number of acceptable exterior materials and/or finishes that may be used in the construction, alteration or repair of any improvement.

Further, no person exercising any prerogative of approval or disapproval by the Committee shall incur any liability by reason of the good faith exercise thereof.

Section 3. Committee Approval. Any approval or disapproval by the Committee or its designated representative(s) on any of the above matters shall be in writing and either conveyed in person or by registered or certified mail, return receipt requested. In the event said Committee or its designated representative(s) fail to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, then such plans and specifications shall be deemed approved (except for any required variances as provided below). The Committee shall have the right, exercisable at its discretion, to grant variances to the architectural restrictions in specific instances where the Committee in good faith deems that such variance does not adversely affect the architectural and environmental integrity of the Subdivision or the common scheme of the development. If the Committee shall approve a request for variance, the Committee may evidence such approval, and grant its permission for such variance, only by written instrument, addressed to the Owner of the Lot(s) relative to which such variance has been requested, describing the applicable restrictive covenant(s) and the particular variance requested, expressing the decision of the Committee to permit the variance, describing (when applicable) the conditions on which the variance has been approved and signed by a majority of the then members of the Committee. If any such variances are granted, no violation of the provisions of this Declaration shall be deemed to have occurred with respect to the matter for which the variance is granted; provided, however, that the granting of a variance shall not operate to waive any of the provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall the granting of any variance affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the Lots and with the Plat. Failure by the Committee to respond within thirty (30) days to the request for a variance shall operate as a denial of the variance.

Section 4. Term. The duties and powers of the members of the Committee herein named, their successors, assigns and designated representative(s) shall cease on the earlier of twenty (20) years from the date this Declaration of Covenants, Conditions and Restrictions is recorded in the Official Records of Williamson County, Texas, or the date upon which all Lots subject to the jurisdiction of the Association become Occupied Lots. Thereafter, the duties and powers of the Committee shall vest in the Board of Directors of the Association or an Architectural Control Committee composed of three (3) or more representatives appointed by the Board of Directors of the Association. The approval required in this Article and the duties and powers vested in the Committee and its successors shall continue so long as this Declaration of Covenants, Conditions

and Restrictions remains in force and effect. The then current members of the Committee may at any time voluntarily transfer all their duties and powers to the Board of Directors of the Association. To be effective, such a transfer shall be evidenced by a document executed by each of the then current members of the Committee.

Section 5. No Implied Waiver or Estoppel. No action or failure to act by the Committee or by the Board of Directors shall constitute a waiver or estoppel with respect to future action by the Committee or Board of Directors with respect to the construction of any improvements within the Subdivision. Specifically, the approval by the Committee or Board of Directors of any such residential construction shall not be deemed a waiver of any right or an estoppel to withhold approval or consent for any similar residential construction or any similar proposals, plans, specifications or other materials submitted with respect to any other residential construction by such person or other Owner.
